ABOUT US

Skimkim makes quality packaged goods using fresh, seasonal ingredients with flavors from all over the world: The South, Korea, Scotland, and Ireland. It's in our blood! Our products range from inventive kimchees and vinaigrettes to spicy kettle popcorn and homemade flavored butters.

In addition to our packaged goods, we also focus on the lifestyle associated with fine food and drink. Through strategic web-based placement, the art of food writing comes to life with Skimkim. We are honest, experienced, and educated in our art and endeavor to spread the word, one bite at a time.
